

Disclosure of Physician Ownership

The following physicians have an ownership interest in Salisbury Endoscopy Center, along with Novant Health Rowan Regional Medical Center. This means that the fee for the use of this facility may go to these investors. All of these physicians are members of the staff at Novant Health Rowan Regional Medical Center located nearby. You have the right to choose to have your physician perform your procedure at Novant Health Rowan Regional Medical Center instead of Salisbury Endoscopy Center. Please notify your physician so she/he can make the necessary arrangements.
